- 2023 - 2024  
GOVT. GORDON GRADUATE COLLEGE,  
RAWALPINDI  
• FS.c Pre-Engineering

## PROJECTS & TRAINING

### Bakery Website (UX Design Project)

- Designed a 3-page website (Home, Menu, About) focusing on simplicity, trust-building, and easy navigation.
- Added features like clear CTAs and filtered menu options for better user experience.

### Portfolio Website

- Created a personal portfolio website to showcase web development and UI/UX design skills.
- Focused on responsive design and clean layout to highlight projects effectively.

### Full Stack Web Development Training

- Completed a course covering HTML, CSS, JavaScript, Next.js, Node.js, MongoDB, and MySQL.
- Gained hands-on experience in building dynamic websites and backend systems.

### UI/UX Design Training

- Learned Figma for creating wireframes, mockups, and prototypes.
- Developed multiple creative designs to improve visual communication and user experience.
